## **DETAILED ACTION**

### **Reason for allowance**

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Multi-Substrate Microelectronic Packages and Methods for Manufacture having at least first and second portions of a conductive material on the substrate assembly to build up a conductive structure connected between the first connection site of the first microelectronic substrate and the second connection site of the second microelectronic substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
